

## Oktoberfest Presented by Becks

September 11th, 2010

11:00 am - 5:00 pm

All are "wilkommen" at the fifth anniversary of this stein-klinking, lederhosen-laden, strudel-scarfing German harvest celebration. The festival combines authentic German beer, music and cuisine, with more modern live music, crisp fall air and fantastic mountain views. Biergartens, street performers, kids' crafts, contests and more toast the season with Teutonic cheer. So bring your friends and your appetite and join in the fall celebration. Wunderbar!
